## GROUND TRANSPORTATION DESTINATION RATE MAP

For listed destinations on this map, the meter is not utilized, and the fare is no more than amount shown but can be negotiated lower with the driver. For destinations not listed on this map, the taxicab meter is utilized. Rates to specific destinations are valid for 1/4 mile radius around the location. Additional charges will apply for requested stops along route. Transportation Network Vehicles shall utilize their fare calculator that is disclosed on their website or software application service.
