

AIRPORT ARTS PROGRAM

Enhancing the experience of airport users by showcasing and educating visitors and locals on the cultural heritage and the artistic development of Coastal Mississippi

The Airport Arts Program **promotes local artists** by showcasing their work throughout the airport terminal. **Various forms of art** are eligible for inclusion in the Airport Arts Program, which includes professional or amateur art, as well as educational and historical works. There are currently **3 display areas** included in the Airport Arts Program as detailed below:

TERMINAL GALLERY

Available to local artists to display an exhibit featuring coastal, southern or aviation themes.

MILITARY ART WALL

Available to active duty and veteran artists, or for an exhibit featuring military themes.

YOUTH ART WALL

Available to local schools, youth groups, community-based projects and/or museums to exhibit artwork from elementary, middle and high school aged artists.

Artists may submit their work for consideration in the Airport Arts Program by **emailing the information requested below** to gpt@flygpt.com. Availability of display areas and approval of exhibits are subject to the discretion of Gulfport Biloxi Regional Airport Authority.

Purchases of pieces and framing are not facilitated or provided by GBRAA.
